How does it work?

If you are in need of food assistance, you can come to pantry on the dates and times listed. Please come by 10:00 am to ensure you can be served. Bring a photo ID. (However, you will not be turned away if you do not have one.)

Also, to increase the amount of families that are able to receive food assistance, each household will only be able to receive food assistance one time per month.

Are you or your organization interested in helping out?

At the C4C Food pantry, we believe that when people are in need, emergency food assistance coupled with education and skill development improves a person's ability to overcome life's challenges.

This pantry is a community-wide effort to address a community-wide problem. If you would like to make a donation or volunteer for the pantry, please send an email or call for more information. You can also visit us on the web at:
